EFICO

Complementary conditions:

Amendment : quality and price

Amendment : quality and price (second time)

EU Deforestation Regulation:

EUDR Approach: A) Full Chain of Custody

EUDR Engagement: Level 1: Geolocation Data Only

If EUDR is applicable : Pursuant to the EU Regulation on Deforestation-free Products No 2023/1115 of 31 May 2023 (the "EUDR") the seller is responsible for ensuring compliance by providing information as d the latest version of the supplier guidelines for EUDR compliance, available on:
<https://efico.com/supplierguidelinesEUDRcompliance/>

Efico considers the goods as unavailable (as per ESCC definition) when non-compliant and/or when required data and documents were not timely provided. The buyer will advise the seller whether:
(i) they wish to accept the goods without EUDR compliance proof or
(ii) discharge the contract with an allowance of market level increase to be paid by the seller to the buyer if any, and seller shall pay on demand any damages.
